

AIR FORCE ROTC FAST FACTS

Air Force ROTC is a 4-year commissioning program offered at over 1,100+ colleges and universities across the country!

THE GOAL

Commission as an Air Force officer upon graduation from undergraduate college

THE PATH

Participate in AFROTC at one of our 145 Detachments during your years in undergraduate school

THE CATCH?

Serve 4 years in the
**WORLD'S GREATEST
Air Force**

THE OPPORTUNITIES

Scholarships
Leadership development
Community
Guaranteed career

Why ROTC?

AFROTC allows you to earn your college degree and serve your country at the same time. Balancing a normal college lifestyle and military training, we develop quality citizens and premier leaders of character.

The College Experience

Participate in extra-curriculars, play sports, live on or off campus, enjoy free time with friends, keep your summer breaks, and get everything you desire out of your college experience, plus so much more!

CADET TESTIMONIES

“My time in ROTC has pushed me to grow and improve at every turn. Each day I face and overcome a new challenge, and each day I learn more about how to be a better follower and leader. ROTC is not for everyone; ROTC is for you if you want to push yourself to be better.”
- Joseph Derks, Class of 2021

“AFROTC was a safe and controlled environment where I could test my leadership and build the skills I needed to be a leader in the Air Force.”
- Zachary Burdick, Class of 2019

“AFROTC is all about developing you as a person and a leader. If you're willing to put in the time and effort, you'll have some great experiences and obtain skills that you'll be able to apply to all areas of your life.”
- Caleb Eng, Class of 2019
